WORTH RACING.

The heavy rain of Sunday night rendered the track at Worth somewhat heavy and occasioned a wholesale scratching of horses yesterday. The program was one of the best of the year, but was spoiled by many absentees.

The most important race of the day was the fourth, a handicap for all ages at seven furlongs. Of the fifteen scheduled to start nine were scratched, leaving a field of six to face the barrier. Jack Demund was made a prime favorite at all times and rewarded the confidence placed in him by his many backers by winning in a big canter. First Scarlet Lily and then Duellist took command, the latter leading by a short margin at the half mile post, but here Buchanan brought up Jack Demund with a rush and he passed into the lead as if the others were tied, spreadeagling the field and winning in a canter as his rider pleased by six lengths. Scarlet Lily finished second, two lengths before Rolling Boer. The former appeared to be badly beaten just before turning for home, but rallied in the final eighth and finished with a rush. She was much the best of the others. Rolling Boer tired perceptibly in the last eighth struggle. Duellist ceased to be a serious contender after six furlongs had been run. Balm of Gilead was never in the hunt.

The day's opener, a dash of five furlongs for two-year-olds, colts and geldings, furnished a surprise, the winner turning up in Captain Hugh Bradley. Red Sam shot to the front at flag fall and opened up a gap of two and one-half lengths, an advantage which he held only for a little over an eighth of a mile, where Captain Hugh Bradley easily passed him and ran away from the field, winning by six lengths from Angelo, which beat North Pole three and one-half for second place. Angelo tired slightly in the run for home, but at that was much the best of the others. North Pole outstayed Antagonist in the last eighth struggle for third place. The latter was well backed by the talent, but ran a dull race and showed scant speed throughout.

The second race, a dash of one and one-sixteenth miles for three-year-olds and upward, went to Rose of May. Off well she at once went to the front and remained there to the end winning by a half length from Ida V., which beat Dark Secret six lengths for second place. Ida V. made a bold bid to close up on the winner in the last eighth but without avail. She was much the best of the others, however. Birdwood tired fast in the run home. Little Robins was too weak to hold him as he passed the wire and he ran away two and a half miles before he could be stopped. Rabunta showed some early speed.

Copious scratching in the third race sent a field of but six to the post. It was a dash of six furlongs for all ages and Philo was made a 7 to 5 favorite. She ran to her best form and easily disposed of the field, winning by four and a half lengths in a big canter from Burnie Bunton, which beat Mattie Spencer twelve lengths for second place. The last named showed a fund of early speed, but tired rapidly just after straightening for home.

Dr. Stephens, with Coburn up, was made an even money favorite in the fifth race, a dash of one mile for three-year-olds and upward, but the best he could do was to run second, Ethel Wheat proving to be the best. She took kindly to the going, showed much speed and won handily by a length, Dr. Stephens finishing six and a half before Inspector Shea for second place. Dr. Stephens was under a hard drive all through the last eighth but try as Coburn would he could not close up on the winner. Inspector Shea moved up fast while going down the backstretch and for a moment appeared as if he was going to close up on the leader but tired perceptibly in the last quarter. Alene Abbott and La Gorta might just as well have remained in their stalls for all the figure they cut in the race.

Scotch Plaid is certainly one of the most consistent

horses that has run here this year. He took the last race, a dash of one mile and seventy yards, in a big canter, making the field look cheap. To a fair start King Barleycorn opened up a big gap and had an advantage of three and a half lengths over Scotch Plaid when turning into the backstretch, but near the half mile post little Treanor called on the latter and he shot to the front in a stride. From this point on Scotch Plaid simply ran away from the field, winning eased up by two lengths from Irving Mayor, which beat Lady Meddlesome four for second place. Irving Mayor ran a surprisingly good race, passing horses in the backstretch run and finishing resolutely. He was much the best of the others. Lady Meddlesome tired perceptibly in the last eighth struggle and would have lost third place to Pirate's Queen in a few more strides. The latter ran a dull race and is difficult to guess. King Barleycorn was well spent when entering the last quarter after showing early speed.

The cold, threatening day kept the attendance down to the regulars and speculation was the lightest of the meeting thus far. The track was drying out fast, but at its best today, even should no rain fall, will be slow.

LOCAL TURF GOSSIP.

Jockey Buchanan stated yesterday that he would return to France next year and would in all probability attach himself to some important stable racing there. Although he expressed surprise at the action of the French Jockey Club in taking licenses away from Reiff and Henry, he is under the impression that the jealousy existing abroad among the American jockeys, who are continually "knocking" one another, was mainly responsible for the banishment of Reiff and Henry from the French turf.

G. J. Long's two-year-old filly Watoma, which gave promise this spring of becoming one of the best of her age in the west, is dangerously sick with lung fever with slight chances of recovery.

A maiden three-year-old filly that had never started, belonging to "Johnny" McHale, died yesterday at Worth.

Scotch Plaid, winner of the closing race, entered to be sold for \$400, was bid up \$200 by T. Licalzi, Messrs. Durnell & Herz retaining the horse with an advance bid of \$5. Scotch Plaid has been one of the most consistent horses in training and, although troubled with bad legs has managed to earn, including yesterday's win, forty-four brackets.

G. C. Bennett has bought from W. Karrick the seven-year-old horse Intrusive, by Meddler-Frolic Grace, by Sterling. Mr. Bennett will race Intrusive this winter if he stands training, after which he will retire him to his breeding farm near Memphis.

Francis Trevelyan, who was the presiding official the past season at Hawthorne, sailed from New York yesterday for England where he will remain this winter in the employment of the Manchester Sporting Chronicle.

Messrs. Durnell & Herz purchased yesterday from S. C. Hildreth the three-year-old Lucien Appleby and The Lady, paying for both the reported price of \$13,000. Messrs. Durnell & Herz have been trying to secure Lucien Appleby for some time, a small money consideration being the chief obstacle in the transfer.

Unpaid forfeits, amounting to \$60, were responsible for the withdrawal of Green B. Morris' horses from the races yesterday. Secretary Kuhl of the Western Jockey Club notified Secretary Jasper that the above amount was due from Mr. Morris at St. Louis and Louisville for entrance fees to stakes and the amount must be collected before the horses could be permitted to race. Mr. Morris at first was indignant and claimed that he did not owe any of the forfeits. When the matter was explained to him and he was shown that the money was due since 1896 on his horse, Sir Play, he immediately settled.

Winner—Ch. c, by St. Carlo—Sloe (trained by J. Frayling).
Went to post at 2:00. At post 3 minutes. Start good. Won ridden out; second easily. Brunswick is genuinely improved, secured a lucky start and with clear sailing on the outside in the best going, gradually worked into a safe lead when a furlong out and gamely stood off Potente's rush at the end. The latter was crowded back soon after the start and made up much ground and is in great form. Mercer closed a tremendous gap from a bad start and was an easing up third. Tremar forced a fast pace and hung on well at the end. Malden was always prominent, but messed about in the last furlong.
Scratched—35620 Clorita, 110; 35406 Conundrum, 104; 35172 Snark, 100; 35552 Stevedore, 97; 35575 Meistersinger, 96; 35634 Evelyn Maud, 91.

Went to post at 2:30. At post 4 minutes. Start bad. Won driving; second easily. Coruscate evidently outclassed her field, worked into the bad going in the stretch, closing a big gap from a poor start, stuck to her work gamely at the end and can beat good ones. Pearl Diver came from far back and finished strongly. Florham Queen went steadily and gamely throughout. Tioga, tangled up at the start and bearing out on the turns, was repeatedly interfered with and can do better. Cranesville was prominent to the last sixteenth, where she tired and will improve. Miladi Love was handicapped by the going and failed to stay.

Winner—Ch. c, by Hermance—Katy of the West (trained by J. H. McCormick).
Went to post at 3:00. At post 2 minutes. Start good. Won handily; second driving. Hermis was much the best. He was very unruly at first and ran all over the track making a wide first turn, but easily took the lead in the last quarter and held it to the end with something in reserve. He is a great horse. Warranted, backed for a good thing at the weights, came dangerously near making good and outstayed the redoubtable Advance Guard in a terrific stretch drive. The latter, however, was not partial to the soft footing, but ran a grand race. Herbert was injudiciously sent after the pacemakers early and appeared like a contender on the stretch turn, but tired right at the end. Carbuncle only went the first mile well. Royal forced the pace in going he disliked and both combined to make him quit in the stretch.

TREASURER DENSLOW IN TROUBLE.

BUFFALO, N. Y., October 13.—M. S. Denslow, treasurer of the Buffalo Racing Association, was arrested this morning, charged with stealing \$23,000 from a Chicago iron dealer. Denslow was arrested at 11 o'clock on a warrant sworn out by L. A. Gilmore.

Gilmore is a dealer in iron at Chicago and he alleges that Denslow appropriated the amount stated above for his own use. Denslow was treasurer of the Buffalo Racing Association, which gave a meeting at Kenilworth Park this fall. He will be held here, pending an issuance of requisition papers.

THE FARRELL SALE.

The paddock at Morris Park was crowded with turmen at 12:30 o'clock Saturday afternoon, when auctioneer William Easton put Frank Farrell's horses under the hammer. Just why Farrell decided to sell out, nobody seemed able to tell, but when the sale was over, the friend of "Big Bill" Devery still owned Blues, Colonel Padden and The Musketeer.

The three-year-old colt DeReszke, by Lamplighter—Serene, was the first of the Farrell horses to be led into the ring. Frank Brown, who trains for Senator "Pat" McCarren, started the ball with a bid of \$2,500. This was gradually raised until M. L. Hayman, the clubhouse betting commissioner, got the colt for \$3,100, Farrell shaking his head in evident displeasure at the low price.

When Blues appeared, Mr. Easton explained that the son of Sir Dixon—Bonnie Blue II., who is a full brother to Blue Girl and Blue Ribbon, had won \$66,800 in stakes as a two, three and four-year-old. Of this amount \$30,780 has been won this year. The first bid was \$2,500. But in less than a minute J. E. Madden had jumped the figures to \$5,500. Then A. J. Joyner bid \$7,000 and the colt was knocked down to him. A half hour later Joyner sold Blues to Farrell for \$8,000 and the colt ran in the latter's colors in the first race. In explanation Joyner said:

"I simply bid in Blues for \$7,000 on a speculation when I saw that there was a chance to get him at that price. When Mr. Farrell offered me an advance of \$1,000 I took it. That's all."

Colonel Padden, who was among those carded to

be sold, was not in the paddock, although his absence was not explained. It was stated that The Musketeer was not put up because he is owned by Mrs. Farrell. Joyner was also a bidder for the four-year-old, Bonibert, by Albert—Bonnie Ola, but the colt went to G. F. Johnson for \$4,500. Joyner got the two-year-old Minotaur, by Eon, for \$2,600, but Colonelist, a two-year-old colt, by Sir Dixon—La Colonia, was bought for \$3,200 by G. Tieraay, with whom Farrell had a long confab before the sale. W. Durker took The Guardsman for \$400 and M. J. Daly secured Hesper for \$200. The lot, seven head in all, realized \$21,000, but as Farrell got Blues back the sale did not amount to much. J. E. Widener bought Judge Franklin Stone's Daffadownilly for \$2,800 and will put him over the jumps. "Father Bill" Daly ran the price up to \$2,700. The sale resulted as follows:

MORE MONEY FOR JUMPERS.

A new and bright era seems to be dawning upon steeplechasing and jumping in this country. The splendid enthusiasm awakened by the Champion Steeplechase this year is only one evidence of it. The growing list of owners and the constantly improving quality of the horses being sent into the sport are the real signs of its prosperity. According to a prominent Jockey Club officer, Sheephead Bay and Brighton Beach will present a rich steeplechase fixture, patterned after the Champion, at no late date, while the Saratoga people have long been considering plans for a rich jumping fixture to be run next August. With three stakes of the value of say \$10,000, one each at Sheephead, Brighton and Saratoga, run during the summer months, supplemented by the liberal offering for jumping and hurdlers to be found at Morris Park in the fall, owners and breeders will at once interest themselves in a field which holds rich purses and stakes for the right kind of horses. It means that within a few years steeplechasing in America will be on the plane of popularity it now enjoys in England. J. H. Alexandre, National Hunt and Steeplechase Association, is out with an announcement that will bring a sense of gratification to all lovers of racing over obstacles.

Mr. Alexandre intimates that hereafter the different steeplechase courses of the metropolitan tracks will be regularly inspected by the association. Next year every jump must be up to the requirements of the National Hunt and Steeplechase rules. There will be none of the "soft" jumps which brought disaster to so many horses, jockeys and speculators at Gravesend last month. During the last two seasons but two courses, Saratoga and Morris Park, were actually up to standard regulations. How different was the chasing this past summer at Saratoga from that seen at Gravesend's fall term. At Saratoga the horses and jockeys realized what they had in front of them, with the result that keen racing and comparatively few accidents were seen. The Gravesend jumps were so low that the horses learned to skim through the brush at breakneck speed. Accidents befell every race. The Gravesend steeplechase became the laughing-stock of the racing world. It will be altogether different next year. Regulation jumps and courses will keep away indifferent horses and steady the first-class performers. The authorities are moving and much that should have been done will be accomplished before the season of 1903 rolls around. The stewards of the National Hunt and Steeplechase Association are Messrs. J. H. Alexandre, August Belmont, Clarence H. Mackay, B. F. Clyde, J. G. Follansbee, J. O. Green, J. G. Hecksher, R. C. Hooper, S. S. Howland, Foxhall P. Keene, W. H. Sands and William C. Whitney.

With these men thoroughly interesting themselves in the sport's promotion, much improvement may be expected. Looking back over the past season's steeplechasing, the race at Saratoga in which the 15 to 1 shot Clasher won easily from Rising Sun, by virtue of the latter being held in the rear until too late to catch the leader, is the most disagreeable recollection. In the investigation later nothing incriminating was found. Under the rigorous administration promised for next year the sport will be admirable in every way. Here are the horses which are now likely to be seen in action at the opening of the eastern steeplechase season of 1903:

Our three-horse wire has proven an enormous success. It has made a great hit, because—
1st. It gives only three good things daily.
2nd. You are not trying to beat the card—you play your horses, pocket your winnings and quit for the day.
3rd. It requires less capital and there is no chance of getting a string of losers.
4th. Cashing on two and sometimes three races a day is an easy matter on this plan. Think this over. It will appeal to your good judgment.

MONDAY'S WINNERS--PHILO, ETHEL WHEAT.

EASTERN TURF GOSSIP.

"One of the heaviest winners in the ring at Morris Park yesterday was the new plunger 'Whitey' Langdon. Last year Langdon, who formerly conducted a newspaper at Wilmington, Del., was a betting commissioner in the grand stand at local tracks. This spring, starting with a shoe string, he soon accumulated a bank roll of \$10,000. Yesterday he fancied Eugenia Burch to win the Nursery Handicap and accordingly backed the filly across the boards. He got down \$1,000 at 10 to 1 straight, \$1,000 at 4 to 1 a place and \$1,000 at 2 to 1 to show, and won \$16,000 to the race," says the New York Sun of Sunday.

"Mrs. L. Curtis, owner of Eugenia Burch, is well up in turf matters. When she saw the falling rain and the track rapidly turning into muddy going, she was inclined to scratch the filly, but James McLaughlin, who trains for her, advised her to let Ben Strome's daughter go the post. When Eugenia Burch won, Mrs. Curtis was \$7,555 richer. Mrs. Curtis purchased Eugenia Burch from Mrs. T. J. Carson for \$275. Her colors, 'white, black sleeves, cardinal cap,' are those of Lord Falmouth. They were used by the late Arthur White in this country, and when the latter died, Mrs. Curtis adopted them. Eugenia Burch is considered by many to be the best two-year-old filly of the year. Last Tuesday she won the second part of the Matron Stakes, which was worth \$6,890 to the winner. During the Brighton meeting she won the second part of the Produce Stakes, which was worth about \$5,500 to the winner, and the Montauk Stakes, together with several over-night events. At Saratoga Eugenia Burch ran second to Grey Friar in the Albany Handicap. Altogether Mrs. Curtis has won close to \$25,000 in stakes and purses this year. After yesterday's race she said she might start Eugenia Burch in the Champagne Stakes next Saturday if the filly was not asked to pick up too much weight, or she might wait for the White Plains Handicap.

"The Nursery Handicap was first run in 1877. Among the prominent winners were Duke of Magenta, Sensation, Hopeful, Firenze, King Eric, Yorkville Belle, Runyon, Ben Brush, Ethelbert, King's Courier, Bellario and King Hanover, who won last year. The race has been run at Morris Park since 1890.

"The Champion Steeplechase was inaugurated in 1899, when J. W. Colt's Van Ship was victorious. In 1900 H. W. Smith's The Cad, now driven to a buggy by his owner, took the rich prize, while last year Mr. Chamblat's Zinziber was triumphant. Zinziber holds the best record for the race and track, 7:02.

"Monohan, who was thrown by Judge Phillips in the steeplechase yesterday, was carried to the paddock unconscious. When he came to and had his head done up in bandages, he put on his street clothes and mingled with the crowd on the lawn as if nothing had happened. Monohan is the boy who jumped into Philma Paxton's saddle after she had thrown her rider down at Gravesend recently and rode her out for third money successfully.

"Mr. Page, who rode Self Protection so cleverly yesterday, is undoubtedly the best gentleman rider in America. He has ridden some fine races this year, but yesterday's performance capped the climax. F. Ambrose Clark, also an expert rider, intended to have the mount on his gelding Rowdy in yesterday's race, but at the last moment gave way to Barry. Some persons were inclined to censure Ray for not putting up a stronger finish on Fulminate, who was beaten out of the money in the last few strides. But Ray said afterward that Fulminate was on the point of falling from sheer exhaustion and that if he had punished him the son of Rayon d'Or might have broken down.

"The Hunter Handicap is an old standby. It was first run in 1869 at Jerome Park at a mile and three-quarters, but in 1890 it was run at Morris Park at a mile and three-sixteenths, when Sinaloa II won in 2:04. In 1891 it was again run at Jerome Park, when Kildeer won in 2:07. Since then the race has been run at Morris Park, the better known winners being Yorkville Belle, La Diva, Belvedere, Belmar, Souffle, Cleophas, Kenmore Queen, The Rose, Oneck Queen and Morningside, last year's winner. Flora Pomona, which ran in the Hunter Saturday, carried the colors of John E. Madden for the first time. She was heavily played, too. Rossignol, the winner, which showed a stunning form reversal, is trained by James McLaughlin, who also scored with Eugenia Burch.

"Henry Spencer, 'the iceman,' up to yesterday had not ridden a winner since his return from England in the early summer. He had the mount on Eugenia Burch and was so determined to break his losing streak that he took several deliberate runs at the barrier, for which starter Pettingill put him on the ground for one week.

"Just after he had finished selling the horses in the paddock before the races yesterday, auctioneer William Easton was seized with an attack of vertigo and became unconscious. He was brought around all right, however, in a short time. Mr. Easton has not been himself since the Reed sale at Sheephead Bay last Monday, when he complained of illness. He has always enjoyed robust health, and his friends say that his trouble is only temporary.

"In the last race yesterday Par Excellence ran in

the name of Albert Simons. In this event the western contingent bet a ton of money on J. B. Respass' Six Shooter, backing him down from 6 to 1 to four. The colt began slowly and was last to the turn, where he made up a lot of ground and was rapidly overhauling the leaders at the end. Big money was taken out of the ring on Zoroaster's victory, John A. Drake, it was said, being among those who cashed."

Kilimandscharo was taken in the bad going all the way and closing up strongly at the end. San Lution went well, but was very badly ridden. Cadet ran an excellent race under a bad ride. Predominate closed up well from a bad beginning. Tom Crabb will do better.

Winner—B. h, by Strathmore—Marmora (trained by M. Stowe).
Went to post at 4:20. At post 6 minutes. Start fair. Won driving; second the same. Zonne was off badly, but being taken in the good going made up ground gradually, saved all possible ground on the turns and just got up in time. Kiss Quick was made too much use of and tired in the closing strides. Duella came fast at the finish and would have won in another stride. The Forum was in the bad going all the way and cut off several times, ran a fast middle half and seemed to be winning when Gilmore drew his whip and let her head go. Spurs tired. Tulare ran a very bad race and can do better. Moderator tired and quit.

Winner—Ch. f, by Argyle—Loyal Princess (trained by W. H. Fizer).
Went to post at 3:13. At post 22 minutes. Start poor. Won easily; second the same. Lazarre showed unusual early speed today and was saved in the prolonged delay at the post and won easily up. Breaker, off badly, acted as if he had a sore mouth, then ran fast through the stretch and finished like a good colt. In Doubt went well, but tired at the end. Mabel Hurst showed speed and vast improvement. Milky Wave went to the mark. First Love was worn out in the long delay at the post.

Went to post at 3:58. At post 3 minutes. Start good. Won handily; second easily. If You Dare was well ridden, liked the track and had much left at the end. Buccleuth ran a good race to the last fifty yards, then tired and swerved into the heavy going. Kindred showed speed, but tired. Maggie Davis quit as if a bit short after running well to the stretch. Louis Wagner can do better. Colonel Maffitt was outclassed, but will win in slower company.

Winner—Ch. g, by Brutus—Forma (trained by J. Givens).
Went to post at 4:22. At post 3 minutes. Start good. Won easily; second the same. Brutal was very good to-day, showed early speed and was always within striking distance, then ran past his field at the end. It was a marked improvement over his previous races, but the going was in his favor. Kunja did her best throughout. Antolee showed much early speed but tired. She ran as if short and is far from her best form. Josie F. wants a fast track and a good rider to show at her best. The Messenger showed some improvement and will about do shortly.
Scratched—35605 Glenwood, 103; 35577 Hucena, 86.

Winner—B. m, by Wadsworth—Clean Heels (trained by W. McKinnin).
Went to post at 4:50. At post 2 minutes. Start good. Won driving; second easily. Orris showed improvement over her race of Saturday, when she quit after running a half, displayed unsuspected liking for a soft track, set a hot pace, stood a long drive and outgamed South Breeze at the end. South Breeze was taken into the heaviest going in the last three-eighths and Louden placed himself where he could not use his whip. She should have won. Wall went to the mark. Linden Ella tired in the stretch drive.
Scratched—35651 Edgardo, 104.

Went to post at 2:40. Off at once to a good start. Won handily; second easily. Rose of May showed much speed, took kindly to the going and stood off Ida V. the determined bid in the last sixteenth with gameness. The latter finished strongly under a weak ride, but could not quite reach. Dark Secret was much the best of the others. Birdwood tired fast after the first six furlongs had been run. Winner—B. c. by Wawekus—Bink (trained by R. Smith).

Went to post at 3:55. At post 5 minutes. Start good. Won easily; second driving. Old Hutch easily disposed of Mr. Brown in the first quarter, taking a long and winning lead at the half which he easily retained to the end and was particularly favored by the soft going. Fried Krupp broke slowly, but closed a big gap and finished strongly. Satire is an improved and consistent horse on this track and was coming fast in the last sixteenth. Annie Lauretta made up much ground in the last quarter. Arden failed to stay. Mr. Brown quit after a hard early effort to the hold winner.

Scratched—35598 Major Mansir, 105; 35547 The Talisman, 97; 35552 Handicapper, 93; 34736 Griffiths, 88. Overweights—Past, 1 pound; Prince Richard, 1.

Winner—B. g. by Rayon d'Or—Astoria (trained by A. Shields).

Went to post at 4:25. At post 4 minutes. Start good. Won driving; second easily. Zoroaster was swerving while coming down the hill in the last quarter, but drew clear when a furlong out and, after being passed and apparently beaten by Star of the West, he finally outstayed her and won after a terrific drive in the last stride. Star of the West came with a rush at the end and ran a cracking good race and is a greatly improved filly. Daly ran a fairly good race. Douro, Jim Clark and Hermencia all tired right at the end. The latter did not fancy the going and can do better on a dry track. Bar Le Duc trailed for the greater part of the race and was gaining some at the end.

Scratched—35642 Blues, 127; (35595) Colonel Bill, 124; 35432 G. Whittier, 97; (35432) Alabarch, 92; 35647 Remorse, 90; 35623 Hunter Raine, 89.

Winner—B. g. by Order—Vivacity (trained by J. Decker).

Went to post at 2:56. At post 4 minutes. Start good. Won easily; second driving. Hilarity was at home in the going, showed the most speed and was never in trouble. Baron Knight was under a hard drive all of the last eighth to stall off Barge's rush. The latter came very fast in the last furlong on the extreme outside and would have been second in a few more strides. Avignon showed a liking for the going, but tired when the pinch came. Fuego was doing his best and had no mishaps.

Scratched—3:633 Melbourne Eclipse, 105; (35556) Allhallows, 102.

Winner—B. f. by Hastings—Floretta IV. (trained by J. H. Baker).

Went to post at 3:23. At post 1 minute. Start good. Won driving; second the same. Floret ran a good game race and was doing her best at the end. She and Katherine R. fought it out from the middle of the far turn and Floret proved the gamer. Katherine R. was weakening at the finish and just managed to save second place. Santa Teresa came very strongly in the stretch run and was catching the leaders at every stride. Blue Ridge tired in the run home from chasing the leaders. Grand Marais could not raise a good gallop in the going. Lombre tired and quit.

Scratched—35630 Captain Foraker, 112; 35611 Commena, 109; 35441 Jigger, 109.

Winner—Ch. c. by Worcester—Annisette (trained by D. Lamasney).

Went to post at 3:51. At post 2 minutes. Start good. Won driving; second easily. Albula raced Huzzah into submission and shook him off at the head of the homestretch. He fought it out with Worthington in the run home and outgamed him in the final drive. Worthington ran consistently, hung on to the last stride and was making Albula do his best. Huzzah tired from his early effort to keep pace with Albula. Hinsdale ran below his mark in this kind of going. Red Monk did not seem to be able to negotiate the sloppy going.

Scratched—35658 Khaki, 105; 35469 Governor Boyd, 102; 35558 Johnny McCartney, 101; 35495 Merriment, 98; (35634) Pay the Fiddler, 94; 35634 Lough Derg, 92.

Chamblee showed the most early speed and outran his company in the first half, but was tiring at the end and had all he could do to stand off the rush of Soothsayer. JOCKEY JOHN WATTS.

The English exchanges are just to hand with comment on the death of jockey Watts.

Though his death was not so tragic as that of Fred Archer, there was a melancholy resemblance between them, inasmuch as they were both undoubtedly brought about by the terrible struggle with Nature month after month to get off the "last pound" by severe training. Watts was seized with a succession of fits at Sandown Park while watching the finish of the National Breeders' Produce Stakes. Although he rallied slightly, few hopes were entertained of his recovery, and he died on the day the Stewards' Cup was run at Goodwood. The deceased, whose brilliant career is well known to all having any interest in the English turf, was only forty-one years of age
